In a land where power seeps from the earth's core, King Rolen plans his jubilee, unaware of the threat to those he loves.

Log Line Long:

Cloaked in silent winter snow, the kingdom of Rolencia sleeps as rumours spread of Affinity Seeps, places where untamed power wells up from the land's heart. Meanwhile, King Rolen plans his jubilee, unaware of the growing threat to those he loves.

Short Blurp:

Cloaked in silent winter snow the Kingdom of Rolencia sleeps as rumours spread of new Affinity Seeps, places where untamed power wells up. Meanwhile, King Rolen plans his jubilee unaware of the growing threat to those he loves.

Even though Byren Kingson is only seven minutes younger than his twin, Lence, Byren has never hungered for the Rolencian throne. When a Seer predicts that he will kill Lence, he laughs. But Lence Kingsheir sees Byren's growing popularity and resents it. Enduring loyalty could be Byren's greatest failing.
